ORGANIZATIONS TYPICALLY ENGAGE CK WHEN:

- ◆ Growth is outpacing operational maturity
- ◆ Execution friction is slowing scale
- ◆ Leadership alignment is weakening
- ◆ Transformation initiatives are stalling
- ◆ AI disruption is creating strategic uncertainty
- ◆ Scaling requires systems, not more activity
- ◆ Enterprise value must increase before exit, expansion, or investment

CORE AREAS OF IMPACT

- | | |
|---|--|
|  Enterprise Transformation |  AI Strategy & Enablement |
|  Growth Strategy |  Organizational Effectiveness |
|  Operational Excellence |  Execution Systems |
|  Leadership Alignment |  Executive Advisory |

SELECTED OUTCOMES

- | | |
|--|---|
| ◆ 2x–3x sustainable growth acceleration | ◆ 25–50% enterprise value increase |
| ◆ 30–70% operational leverage improvement | ◆ 67% organizational productivity increase |
| ◆ Accelerated delivery timelines by up to 70% | ◆ Helped scale and transform organizations across Fortune 100 enterprises |
